NO. 347—A BY-LAW

To amend By-law No. 345, entituled "A By-law to appropriate certain sums of money for the improvement of Roads and Bridges in the Township of Raleigh, and to appoint Commissioners to expend the same," passed 1st March, 1880.

PASSED 26th April, 1880.

WHEREAS Patrick T. Barry has resigned the office of Councillor, and Gilbert H. Dolsen has been declared the sitting member in his place: be it therefore enacted by the Municipal Council of the Corporation of the Township of Raleigh, by virtue of the Act regarding Municipal Institutions of Ontario.

1st. That the fourth clause of said By-law be amended by substituting Gilbert H. Dolsen as Commissioner for R. R. Division No. 3, in place of P. T. Barry.

2nd. That Malcolm Toll be appointed Poundkeeper in place of John P. Hughson.

3rd. That Duncan Gray be appointed Overseer in S. L. Division No. 57, in place of James Gray.

4th. That Samuel Hitchcock be appointed Overseer in S. L. Division No. 28, in place of Green Doo.

NO. 348—A BY-LAW

To provide for draining parts of the Township of Raleigh by the improvement of the Flook Drain. PASSED 26th July, 1880.

WHEREAS Richard Tooley and others have petitioned the Council of the said Township of Raleigh, praying that as the lower part of the Flook drain has become partially filled up and out of repair to such an extent as to materially injure their lands for agricultural purposes, the drain not properly carrying off the waters brought down from above, where continuous draining has been going on without enlarging the outlet: that therefore the said drain be cleaned out to its first dimensions, beginning at the junction with the Hinton drain and continued to the Moody drain, or as much further as may be necessary.

And Whereas thereupon the said Council procured an examination to be made by W. G. McGeorge, P.L.S., being a person competent for such purpose, of the said locality proposed to be drained by the improvement of said drain, and has also procured plans and estimates of the work to be made by the said W. G. McGeorge, and an assessment to be made by him of the real property to be benefitted by the improvement of said drain, stating as nearly as he can the proportion of benefit which in his opinion will be derived in consequence of such improvement by every road and lot or portion of lot; the said assessment so made and the report of the said Wm. G. McGeorge in respect thereof, and of the said drainage, being as follows:

"From an instrumental examination over the route of the Flook drain, from the point where the Hinton drain enters it to the Moody drain, I find that the Flook drain over that distance is much in need of repair, as it has become in many places very much out of order, and cannot in its present state efficiently drain the lands through which it runs, nor does it afford a proper outlet to the drains entering it. The estimated cost of the necessary repairs amounts to $980, which is assessed to the lands and roads affected thereby as in the Schedule annexed. The drain hereafter to be kept in repair over the extent of the herein contemplated improvement at the expense of the lands and roads herein assessed for said work, said lands and roads paying in the same relative proportion as for the work herein estimated for. (Signed), WM. G. McGEORGE, P.L.S."

And Whereas the said Council are of opinion that the drainage of the locality described is desirable. And Whereas the Engineer has been instructed to assess the Township of Harwich not only for the repairing of the said drain but for the original construction thereof, and that the sum of $550 50 has been assessed against the roads and lands in the said Township of Harwich, which sum is required to be paid to the Treasurer of the Township of Raleigh within four months from the time the Reeve of Harwich was served with the notice of assessment thereof.

Be it therefore enacted by the said Municipal Council of the said Township of Raleigh, pursuant to an Act, chap. 174, R. S. O., and amendments thereto.

1st. That the said report, plans and estimates be adopted, and the said drain and the works connected therewith, be made and constructed in accordance therewith.

2d. That for the purpose of paying the sum of Five hundred and Ninety-nine Dollars, being the amount charged against the said lands so to be benefitted as aforesaid, other than roads belonging to the Municipality, the following special rates, over and above all other rates, shall be assessed and levied (in the same manner and at the same time as taxes are levied), upon the undermentioned lots and parts of lots, and on the Canada Southern Railway, for the current year.

NO. 349—A BY-LAW

To provide for draining parts of the Township of Raleigh by the construction of the Snell and Flater Drains and repairing of the Centre Road and Toll and Ellis Drains, and for borrowing on the credit of the Municipality the sum of $1,710 for completing the same. PASSED 26th July, 1880.

WHEREAS a majority in number of the owners as shown by the last revised Assessment Roll of the said Township of Raleigh of the property hereinafter set forth to be benefitted by the construction and repairing of the Snell and Flater, the Centre Road, Toll and Ellis drains, have petitioned the Council of the said Township of Raleigh, praying that a drain may be constructed through Lots 3 in the 12th and 13th Concessions, emptying into the Gilhula Drain; and that Lots 2, 3 and 4 in the 13th and 14th Concessions be assessed therefor. Also, that a drain be constructed on the West side of the Centre Road, commencing at Lot 151, Talbot Road, and terminating in Ellis Creek. Also, for the cleaning out and repairing of the Ellis drain. Also, for the repairing of the Centre Road and Toll drains.

And Whereas thereupon the said Council procured an examination to be made by W. G. McGeorge, P. L. S., being a person competent for such purpose, of the said localities proposed to be drained by the construction and repairing of the said drains, and has also procured plans and estimates of the work to be made by the said W. G. McGeorge, and an assessment to be made by him of the real property to be benefitted by the construction and repairing of said drains, stating, as nearly as he can the proportion of benefit which in his opinion will be derived in consequence of such drainage by every road and lot or portion of lot; the said assessment so made and the report of the said W. G. McGeorge in respect thereof, and of the said drainage works, being as follows, viz:—

"Commencing at the North corner of Lot No. 3, in the 14th Concession, and running along the South-easterly side of the road between the 13th and 14th Concessions, South-westerly a distance of 120 rods, and thence, beginning at the centre of the ont of Lot 3, it runs as a tap drain North-westerly through the middle of Lot No. 3, in the 13th Concession, to a drain already constructed as a branch of the Gilhula drain. The estimated cost of the work, as per schedule annexed amounts to $814.00 On the drain petitioned for by Isaac Flater and others, I report as follows:—The drain runs along the South-west side of the Centre Road, North-westward, to the Road between the 12th and 13th Concessions, and South-west along this to Ellis Creek and in this Creek until a fall for the water is obtained. I estimate the cost at $921. On the Centre Road and Toll drain, I report as follows:—Beginning at a point in Lot 148 on the Talbot Road near the line of Lots 148 and 149, thence running westerly to the Centre Road and North-westerly along the North-easterly side of this road to the Concession road between Concessions 12 and 13; it then runs North-easterly to a Creek on Lot 10 and through this Creek to the South half of Lot 10 in the 12th Concession till a fall is obtained. I estimate the cost at $988. The part of the Ellis drain not included in the Flater drain I estimate to cost $122.50.

(Signed) WM. G. McGEORGE."

And Whereas the said Council is of opinion that the drainage of the localities described is desirable:—

Be it therefore enacted by the said Municipal Council of the said Township of Raleigh, pursuant to Cap 174. R. S. O., and the amendments thereto.

1st That the said report, plans and estimates be adopted, and the said drains and the works connected therewith, be made and constructed in accordance therewith.

2d That the Reeve of the said Township may borrow on the credit of the Corporation of the said Township of Raleigh the sum of one thousand seven hundred and ten dollars, being four-fifths of the funds necessary for the work, and may issue debentures of the Corporation to that amount, in sums of not less than one hundred dollars each, and payable within four years and three months from the date thereof, with interest at the rate of five per cent per annum, that is to say in four equal payments of four hundred and twenty-seven dollars each, such debentures to be payable at the Canadian Bank of Commerce, in the Town of Chatham; said debentures to be dated 1st September, 1880, and to have attached to them coupons for the payment of interest.

3d. That for the purpose of paying the sum of two thousand one hundred and thirty-seven 50-100 dollars, being the amount charged against the said lands so to be benefitted as aforesaid, other than roads belonging to the Municipality, and to cover interest thereon for four and a quarter years at the rate of five per cent. per annum, the following special rates over and above all other rates, shall be assessed and levied (in the same manner and at the same time as taxes are levied) upon the undermentioned lots and parts of lots; and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively shall be divided into five equal parts, and one such part shall be assessed and levied as aforesaid, in each

year, for five years after the final passing of this By-law, during which the said debentures have to run.

NO. 350—A BY-LAW

To divide the Township of Raleigh into Seven Polling Sub-divisions for Legislative and Municipal purposes. PASSED 26th July, 1880.

WHEREAS it is necessary to increase the number of Polling Sub-divisions in the Township of Raleigh; and whereas such increase and definition of Polling Sub-divisions must be made by By-law.

Be it therefore enacted by the Municipal Council of the Corporation of the Township of Raleigh, in Council assembled, under and by virtue of the Municipal Act, R. S. O., and amendments thereto, and an Act respecting Voters' Lists.

1st. That the First Polling Sub-division shall include all that portion of the Township of Raleigh lying Northwest of the line between the Fifth and Sixth Concessions by the Western boundary, and the First and Second Concessions by the Eastern boundary lines, save and except Lots 23 and 24 in the First Concession, Eastern boundary line, in the Town of Chatham.

2d. That the Second Polling Sub-division shall consist of all lots South-east of the line between Concessions Five and Six to the centre of the Eighth Concession, from Lot number One to Twelve, inclusive.

3rd. That the Third Polling Sub-division shall consist of all lots Southeast of the line between Concessions Five and Six by the Western boundary and the line between Concessions One and Two by the Eastern boundary, to the centre of Concession Eight, on lots 13 and 14, and the line between Concessions Eight and Nine, from Lots 15 to 25 inclusive, save and except Lot 24, Concession Two, Eastern boundary, in the Town of Chatham.

4th. That the Fourth Polling Sub-division shall consist of Lots from One to Seven inclusive, from the centre of the Eighth Concession to the line between Concessions 14 and 15 and Talbot Road Lots.

5th. That the Fifth Polling Sub-division shall consist of Lots 8 to 14, inclusive, from the center of the Eighth Concession to the line between Concessions 14 and 15.

6th. That the Sixth Polling Sub-division shall consist of Lots 15 to 25, inclusive, from the line between Concessions Eight and Nine to the center of the Fourteenth Concession.

7th. That the Seventh Polling Sub-division shall consist of all that portion of the Township of Raleigh South-east of the line between Concessions Fourteen and Fifteen and Talbot Road Lots, from Lots One to Fourteen, inclusive, and of the centre of the Fourteenth Concession, from Lots 15 to 25, inclusive.

8th. That all By-laws heretofore passed, or parts thereof inconsistent with this By-law, be and the same are hereby repealed.

JOHN G. STEWART, Clerk. S. WHITE, REEVE.

No. 354—A BY-LAW

To appoint an Arbitrator in the matter of an Appeal of the Township of Tilbury East, on the assessment for the improvement of the Tilbury No 1 Government Drain Outlet. PASSED 26th July, 1880.

WHEREAS the Township of Tilbury East has appealed against the assessment of W. G. McGeorge, P. L S. for the improvement of the said Tilbury No. 1 Government Drain Outlet in the Township of Raleigh.

Be it therefore enacted by the Municipal Council of the Corporation of the Township of Raleigh, under and by virtue of an Act Cap. 174, Revised Statutes of Ontario

1st That Robert Fleck, Esq , of the Township of Moore, in the County of Lambton, be and is hereby appointed Arbitrator on behalf of the Township of Raleigh, in the matter of an appeal of the Township of Tilbury East against the assessment made by the said Engineer, as being too high on the said Township of Tilbury East for the improvement of the said Tilbury No. 1 Government Drain Outlet.

JOHN G. STEWART, Clerk. S. WHITE, REEVE.

NO. 355—A BY-LAW

To provide for draining parts of the Township of Releigh, by the construction of the Backus Drain, and for borrowing on the credit of the Municipality the sum of $1689 60 for completing the same.

PASSED 25th Sept., 1880.

WHEREAS a majority in number of the owners as shown by the last revised Assessment Roll of the Township of Raleigh of the property hereinafter set forth to be benefitted by the construction of the Backus Drain, have petitioned the Council of the said Township of Raleigh, praying that a drain be constructed beginning at or near the Great Western Railway on the west half of lot 20, Front Concession of Raleigh; thence westerly along what is known as Goose's Creek to the McCrae Drain between lots 16 and 15; thence down said McCrae Drain until a suitable fall is obtained. Also, that the McCrae Drain be extended southerly to a certain creek near the Great Western Railway but not to tap the Railroad ditch, and that the following lots and parts of lots and roads be assessed therefor, viz:—Lots 14, 15, 16, 17, 18 and 19, and the W. hf 20 in the Front concession; also, lots 18 and 19, Con. 5, and lot 20, Con. 2, E.B.L ; also, the road allowances in the locality of said Drain.

And Whereas thereupon the said Council procured an examination to be made by W. G. McGeorge, P.L.S., being a person competent for such purpose, of the said lo-

cality proposed to be drained by the construction of said drain, and has also procured plans and estimates of the work to be made by the said W. G. McGeorge, and an assessment to be made by him of the real property to be benefitted by the construction of said drain, stating as nearly as he can the proportion of benefit which in his opinion will be derived in consequence of such drainage works by every road and lot or portion of lot; the said assessment so made and the report of the said Wm. G. McGeorge in respect thereof, and of the said drainage works, being as follows:

GENTLEMEN,—I beg to report that I have, as required, made a survey of the route of the Drain petitioned for by Milton Backus and others. The Drain will begin at the Great Western Railway on Lot No. 20, and thence will run westerly along the course of the Creek known as Goose's Creek to the McCrae drain at the line between lots 15 and 16, in the Front Concession, and thence follows the route of the old drain on this line to the River Thames. Along this line there will also be a branch extending southeasterly to the distance of 118 rods. I estimate the cost of the work to be $2445.00.

(Signed) W. G. McGEORGE.

And Whereas the said Council is of opinion that the drainage of the localities described is desirable:—

Be it therefore enacted by the said Municipal Council of the said Township of Raleigh, pursuant to the provisions of an Act of the Legislature of Ontario, Cap. 174, R. S. O., and amendments thereto.

1st. That the said report, plans and estimates be adopted, and the said drain and the works connected therewith, be made and constructed in accordance therewith.

2d That the Reeve of the said Township may borrow on the credit of the Corporation of the said Township of Raleigh the sum of one thousand six hundred and eighty-nine 60-100 dollars, being 4-5ths of the funds necessary for the work, and may issue debentures of the Corporation to that amount, in sums of not less than $100 each, and payable within four years and two months from the date thereof, with interest at the rate of five per cent. per annum, that is to say in four equal payments of four hundred and twenty-two dollars 40 100 each, such debentures to be payable at the Canadian Bank of Commerce, in the Town of Chatham; said debentures to be dated 1st October, 1880, and to have attached to them coupons for the payment of interest.

3d. That for the purpose of paying the sum of two thousand one hundred and twelve dollars, being the amount charged against the said lands so to be benefitted as aforesaid, other than roads belonging to the Municipality, and to cover interest thereon for four years and two months at the rate of five per cent. per annum, the following special rates over and above all other rates, shall be assessed and levied (in the same manner and at the same time as taxes are levied) upon the undermentioned lots and parts of lots; and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively shall be divided into five equal parts, and one such part shall be assessed and levied as aforesaid, in each year for five years after the final passing of this By-law, during which the said Debentures have to run, with interest on the unpaid instalments at the rate aforesaid.

NO. 356—A BY-LAW

For stopping up a certain portion of the original road allowance between the Third and Fourth Concessions, reckoned from the Western Boundary of the Township of Raleigh, in the County of Kent, for the sale of the said portion, for diverting the said original road allowance, and for entering upon, taking, and using certain lands necessary and conveying for such diversion.

Passed 16th August, 1880.

WHEREAS by the Municipal Act the Council of a Township may pass By-laws for stopping up, altering, diverting and selling any original road allowance within the jurisdiction of the Council, and for selling the same; and also for entering upon, breaking up, taking or using any land in any way necessary or convenient for the said purposes, subject to the restrictions and provisions in the said Act contained.

And Whereas the Council of the Township of Raleigh have been petitioned to pass a By-law for the stopping up and sale of those portions hereinafter firstly and secondly described of the original allowance for road between the Third and Fourth Concessions, reckoned from the Western Boundary of the said Township, and for diverting the said road allowance as hereinafter provided.

And Whereas the Great Western Railway crosses that portion of the said road allowance which is hereinafter firstly described, at an acute angle, and the said road allowance, if opened for travel thereon, could not be used without inconvenience to the public, but by the diversion hereinafter provided a safer and more convenient

highway can be substituted. And for these and other good and sufficient reasons it is desirable and expedient to stop up and sell those portions of the said road allowance hereinafter firstly and secondly described, and to divert the said road allowance from the southerly boundary line of such firstly described portion easterly along and immediately adjoining the southerly side of the Great Western R'y Company lands to the road allowance between lots number twelve and thirteen in the said Fourth Concession, so that the new or diverted road allowance shall occupy those parts of said lot number twelve, hereinafter thirdly described.

And Whereas all proper notices have been posted up and published, as required by the Municipal Act.

And Whereas the Corporation of the said Township have agreed to sell the said firstly described portion of the said road allowance to the Great Western Railway Company, whose lands are next adjoining the same on both sides thereof, and who have agreed to purchase the same at the price or sum of Twenty Dollars; and whereas the Great Western Railway Company have also agreed, in consideration of the permanent stopping up of the said portion of the road allowance aforesaid, and of the opening as a public highway of the said diverted road, to pay to the said Corporation in or toward the cost and expense of such opening and diversion such sum as with the said purchase money will amount to Two Hundred Dollars.

And Whereas all persons have been heard in person or by Counsel or Attorney who petitioned or attended upon the Council and desired to be heard.

Therefore it is hereby enacted by the Corporation of the Township of Raleigh, in Council assembled, as follows:

1st. That all those portions of the original allowance for road between the Third and Fourth Concessions, reckoned from the Western boundary of the said Township of Raleigh, described as follows, that is to say: — Firstly. That portion of the said road allowance which is contained between two parallel lines drawn wholly across the said road allowance parallel to each other and to the original centre line of the Great Western Railway, one being seventy feet northerly from said centre line, and the other fifty feet southerly from said centre line, (and which said original centre line was four and three quarter inches north of and parallel to the present centre line of the south track of the said Railway). Secondly. That portion of the said road allowance which lies between the west side of the road allowance between lots Twelve and Thirteen and a line drawn wholly across the said road allowance between the Third and Fourth Concessions, parallel to the aforesaid centre line of said Railway, and distant seventy feet northerly from said original centre line, be and the same is hereby stopped up.

2d. That sale of the portion of the said original allowance for road firstly described in the next preceding clause shall be made to the Great Western Railway Company, who are owners of the lands next adjoining to and on both sides of such portion, for the sum of Twenty Dollars, which the Council thinks is a reasonable price therefor.

3rd. That sale of the portion of the said original allowance for road secondly hereinbefore described shall be made to the owner of the land adjoining thereto, for the sum of One Hundred Dollars, which the Council thinks is a reasonable price therefor; but in case such owner refuses to become the purchaser at such price, then that sale thereof be made to any other person for the same or a greater price

4th. That proper and sufficient deeds for the conveyance in fee simple to the respective purchasers of the lands so sold, be executed and duly delivered in the name and on behalf of this Corporation.

5th. That those parcels or tracts of land parts of lot number Twelve in the Fourth Concession, reckoned from the Western boundary of the said Township of Raleigh, described as follows, that is to say:—Commencing upon the west side of the road allowance between lots Twelve and Thirteen, at the distance of fifty feet southerly from the said original centre line of said Railway, measured at a right angle with said centre line; thence southerly along the said west side of said road allowance to a point one hundred and sixteen feet southerly from the said original centre line measured at a right angle therewith; thence westerly parallel to the said original centre line to the south side of the said last mentioned road allowance to a point fifty feet southerly from the said original centre line, measured at a right angle therewith; thence in a straight line to the place of beginning—are hereby taken, opened as, and declared a public highway in lieu of those parts of the said original road allowance so stopped up as aforesaid, and as such shall inure for the benefit of Her Majesty and all her leige

subjects forever; and it shall be lawful for this Corporation, by its servants, agents or workmen, to enter upon and take and use the said lastly hereinbefore described lands for the purpose of carrying this By-law into effect and making the diversion aforesaid. [Read a third time and passed this Sixteenth day of August, A D. 1880]

WHEREAS application has been made to the Council to make certain alterations in the limits of School Sections numbered Five, Six, Seven, Eight, Nine, Twelve and Thirteen respectively. And Whereas the Trustees of the said School Sections numbers 5, 6, 7, 8. 9, 12 and 13 respectively, have been duly notified of the proposed alterations to be made in the limits of the said School Sections respectively, as required by sec. 81, cap 204, R. S. O And Whereas the Council are of the opinion that the above proposed alterations are desirable.

Be it therefore enacted by the Municipal Council of the Corporation of the Township of Raleigh, in Council assembled, under and by virtue of the Act respecting Municipal Institutions, cap. 174, and the Public Schools Act, cap. 204 of the Revised Statutes of Ontario, and amendments thereto.

1st. That lots 6, 7 and 8, in the 9th Concession, are hereby detached from School Sections No. Six and Seven and attached to School Section No. Thirteen.

2nd That the S.E. half of Lot No. Ten, in the Fourteenth Concession, is hereby detached from School Section No. Seven and attached to School Section No. Nine.

3rd. That the N. W. half of Lot No. Twenty-two and the N. W. half of Lot number Twenty-three, in the Third Concession by the Eastern boundary line, is hereby detached from School Section No. Five, and attached to School Section No Twelve.

4th. That lots Six and Seven in the Tenth, Eleventh, Twefth and Thirteenth Concessions, be detached from School Section No Six and attached to School Section No. Seven.

5th. That this By-law shall take effect and come into force on the first day of January, A.D. 1881.

JOHN G. STEWART, Clerk STEPHEN WHITE, REEVE.

NO. 358—A BY-LAW

To provide for the formation of a Union School Section to be composed of parts of the Townships of Raleigh and Tilbury East. PASSED 9th Sept'r. 1880.

WHEREAS a majority of the ratepayers, as shewn by the last revised Assessment Roll as owners or occupiers of the property hereinafter described, have petitioned the Municipal Council of the said Township of Raleigh, praying that a Union School Section be formed to be composed of a portion of School Section No. Six in the said Township of Raleigh and a part of the Township of Tilbury East.

And Whereas thereupon the said Council appointed John Jenner, Esq , being a fit and competent person therefor, to act as a referee along with another referee to be appointed by the Municipal Council of Tilbury East, and the Inspector of Schools for West Kent, to enquire into and report as to the propriety of granting the whole or any part of the prayer of the said petition; the said report of the said referees being as follows:—"We, the undersigned, hereby report that after reconsidering the matter in question we deem it expedient and we have therefore decided: 1st. That a Union School Section be formed comprising lots One, Two, Three, Four and Five, in the Ninth, Tenth, Eleventh, Twelfth and Thirteenth Concessions, and lots One and Two in the Fourteenth Concessions, all in the Township of Raleigh, together with the following portions of Tilbury East, that is to say, lots A, B, One. Two and Three in the Middle Road survey, and the gore lots One and Two in the Twelfth Concession—to be known as Union School Section number Five, Raleigh.

"2nd. That the School site consist of that part of lot One in the Eleventh Concession of Raleigh lying immediately northward of the Middle Road, and immediately West of the Methodist Episcopal Church burying ground; the limits of the said site to be as follows: the width to be the same as that of the said burying ground, measuring northward from the said Middle Road, and length sufficient to afford one acre, measuring westward from the said burying ground.

"3rd. That the Tilbury part of said School Section shall pay 18-61 of the whole amount to be raised annually for School purposes therein, and the Raleigh part shall pay the remaining 43-61 of the said amount.

"4th. That these proportions shall be paid during the years 1881 and 1882, subject nevertheless to the provisions of the School Law relating thereto.—(Signed),

"WILMOT M. NICHOLS, I.P.S. West Kent; JOHN RICHARDSON, Referee for Tilbury East; ——— ———, Referee for Raleigh."

And Whereas the said Council are of opinion that the formation of the said Union School Section is necessary and expedient; and whereas it appears that the Trustees of all School Sections affected thereby have been duly notified.

Be it therefore enacted by the said Municipal Council of the said Township of Raleigh, in Council assembled, under and by virtue of the powers conferred by the provisions of the Public Schools Act, cap. 204. R S.O., and the amendments thereto.

1. That the said report of the said referees be adopted, and that the formation of the said Union School Section number Five be established in accordance therewith, and that Charles McNeil be appointed to call and preside at the first School meeting.

2. That this By-law shall take effect as soon as a By-law in accordance therewith be passed by the Municipal Council of the Township of Tilbury East, but shall not come into force before the First day of January, 1881.

3. That all By-laws or parts thereof heretofore made by the said Municipal Council of the Township of Raleigh, inconsistent with this By-law, be and the same are hereby repealed.

NO. 260—A BY-LAW

To provide for draining parts of the Township of Raleigh by the construction of an Outlet for the Tilbury No. 1 Government Drain.

PASSED 5th January, 1881.

WHEREAS F. B. Stewart and others have petitioned the Council of the said Township of Raleigh, praying that as the Government Drain which enters Raleigh on lot No. 1, in the 6th concession has never been opened out to Jeannette's Creek, as proposed, thereby causing the water to back up at certain seasons over the lands of your petitioners, destroying their crops and injuring their property; and that steps be taken to have the obstruction removed and the Drain opened into Jeannette's Creek.

And whereas thereupon the said Council procured an examination to be made by W. G. McGeorge, P.L.S., being a person competent for such purpose of the said locality proposed to be drained by the construction of said drain and has also procured plans and estimates of the work to be made by the said W. G. McGeorge, and an assessment to be made by him of the real property to be benefitted by the construction of said drain, stating, as nearly as he can, the proportion of benefit which in his opinion will be derived in consequence of such drainage by every road and lot or portion of lot; the said assessment so made and the report of the said W. G. McGeorge in respect thereof and of the said drainage works being as follows:

"Having been instructed to make an estimate of the cost of the work of opening an outlet into Jeanette's Creek for Government drain No. 1, of Tilbury East, and of clearing out the drain at its present terminus, and to assess the costs on the lands and roads in Tilbury East and Raleigh in the same proportion as for the original construction of the outlet through Raleigh. I estimate the cost at $485 00. The drain over the length herein reported on is to be kept in repair at the cost of the Municipalities and lands assessed for the work herein reported on, said Municipalities and lands paying in the same relative proportion as for said work.

"(Signed), W. G. McGEORGE."

And Whereas the said Council is of opinion that the drainage of the locality described is desirable. And Whereas the Engineer has assessed the Township of Tilbury East for benefit of outlet, under cap. 174, sec. 544, R. S O., and that the sum of $323.32 has been assessed against the roads and lands in the said Township of Tilbury East, which is required to be paid to the Treasurer of the Township of Raleigh.

Be it therefore enacted by the said Municipal Council of the said Township of Raleigh, pursuant to the provisions of an Act of the Legislature of Ontario, chap. 174, R. S. O., and amendments thereto.

1st. That the said report, plans and estimates be adopted, and the said drain and the works connected therewith, be made and constructed in accordance therewith.

2d. That for the purpose of paying the sum of One hundred and Twenty-eight 36-100 Dollars, being the amount charged against the said lands so to be benefitted as aforesaid, other than roads belonging to the Municipality, the following special rates over and above all other rates, shall be assessed and levied (in the same manner and at the same time as taxes are levied), upon the undermentioned lots and parts of lots, for the year 1881.
